

## Referral System

### 1: Access the Referral Section

“To refer others to PeaFX, start by navigating to the ‘Referral’ section in the app. This is where you’ll find all the tools and information related to the referral program.”

### 2: View Your Referral Code

“In the referral section, you’ll see your unique referral code. This code is what you’ll share with friends, family, or colleagues to invite them to join PeaFX.”

### 3: Share Your Referral Code

“Simply copy your referral code and share it directly or via social media, messaging apps, or email. When someone signs up using your code, they’ll automatically be linked to your account.”

### 4: Learn About Referral Commissions

“To understand how referral commissions work and how much you can earn, check the link provided below the description in this section. It contains all the details about the commission structure and rewards.”
