

Transferring funds to start trading or gaming

1: Navigate to the Main Wallet Section

“Start by navigating to the ‘Main Wallet’ section from the main menu. This is where you’ll see your total balance and manage your funds.”

2: Select the Wallet for Transfer

“To begin trading, select the ‘Trading Wallet,’ or to play games, choose the ‘Gaming Wallet.’ Tap on the wallet you want to transfer funds to.”

3: Enter the Transfer Amount

“Next, enter the amount you wish to transfer from your Main Wallet. Make sure the amount does not exceed your available balance. And the minimum transfer to trading wallet is \$20 and for gaming wallet is \$10”

4: Confirm the Transfer

“Review the transfer details carefully, and once you’re ready, tap ‘send now.’ Your funds will be transferred instantly to the selected wallet.”

5: Start Trading or Gaming

“With funds now in your Trading Wallet, you can start trading immediately. If the funds were transferred to your Gaming Wallet, you’re all set to enjoy your favorite games!”
